PRP Badges

Anytime you are in the clinic for ANY reason you must pick up a badge from the PRP clinic. This includes all ancillary services such as radiology, laboratory, immunizations, etc.

Medication pick up

- All PRP members require a printout of their medications stamped and signed by a PRP Clinic member before their prescriptions will be filled by the pharmacy (NO EXCEPTIONS).
- No badge required for pharmacy, the print out is all you need.

Emergency or Urgent Care

- For members who require after hours or emergency care, contact YOUR PRP monitor prior to going to an Urgent care or Emergency room.
- You are required to follow up with a CMA as soon as possible whenever one of those two situations occurs. All appointments can be booked by calling 402-232-2273.
- All Active Duty and TRICARE Prime patients must have prior authorization before Urgent Care visits.

Walk-in Services

- Sore throat
- Suture Removal
